

COURSE

- The 2016 International Cyclo-cross in Contern is held on a **2.600 m lap**. The course is hilly and composed as follows: meadow 1000 m, asphalt 900 m, path 300 m and forest 400 m. **The main characteristics** of the course are two uphill parts on asphalt, a very technical descent in the forest and the hilly part in the meadow with barriers and two short run-ups, one of them on stairs. The course is nearly identical to the one of last year
- Distance between the **double material pits** are approximately 1.300 m. They can be accessed by car until 12h00 o'clock for the deposit of material only, the road will be closed after 12h00 o'clock.
- **Start and Finish** are on slightly uphill tarmac sections in the rue de Moutfort in Contern.
