## ANTI-COVID CONCEPT :

- ✓ Any person, rider, helper, official or volunteer with **symptoms** of COVID-19 (fever, breathing difficulties, cough, sore throat, loss of smell, pain, diarrhea, unusual fatigue), even if mild, is asked not to attend or participate in the event, but should contact his or her doctor or the hotline 8002 8080.
- ✓ A **COVID-CHECK certification** (vaccination, negative PCR test performed less than 72 hours before the race, antigen test performed less than 48 hours before the race or rapid test performed on site) will be requested from participants in races for licensed riders as well as from all persons who want to enter the restricted area around the start and finish or an official office or vehicle of the organizer during the races on Sunday, September 5, 2021. This measure is not applicable for the cycling tourist ride where riders can start in a non-grouped manner after a free schedule.
- ✓ The **wearing of a mask** (or any other protection covering the mouth and nose) or **distancing rules** are in application according to the laws in force, outside the Anti-Covid Check restricted zone. The only exception to this rule is for riders who may not wear a mask while cycling.
- ✓ In the **parking areas**, the rules of distancing must be respected. It is important to respect the signs in place and follow any instructions.
- ✓ **Registration** is only possible in advance, online on the FSCL website. On-site registration without pre-registration is not possible. The signs around the official office must be respected. Only those who have passed the COVID-CHECK test will be allowed to enter the office.
- ✓ **Catering services** will only be offered within the COVID-CHECK area in rue Alferweiher.
- ✓ There will be no **official reception** with prize distribution. Riders can collect their prizes in the permanent office after the race.
- ✓ All **laws and regulations** put in place by the Luxembourg Government are strictly to be respected. The organizer declines all responsibility in case of non-compliance with the law by a person who is not part of the organizing committee.
