To reduce unnecessary passings in the first kilometers, we want to set up a **start order** on **voluntary basis**. The three levels are COMPETITION ("I want to win and I am able of riding above 35 km/h of average"), SPORTS ("I want to make a decent result and I ride at an average speed of 30 km/h and above") and LEISURE ("I just want to finish and have fun"). **Please play the game !!!** FOR THE SECURITY OF ALL THE RIDERS ...

LAST KILOMETER - NEW

Following the progress of the road-works at the entrance of Echternach (liaison Morgenstern), we have adapted once again the final kilometer of our two courses. The itinerary is now again like a few years ago as follows : route de Wasserbillig – rue du Pont – rue de la Montagne - place du Marché

TAKE CARE, the final kilometers are still fast and twisty with a finish on cobblestones
